Accessing Classroom Recordings

To access class recordings, you will need to use your User ID and DSL Password. Please follow the instructions below.

1. Log onto ANGEL and enter into your **Intensive Introduction to U.S. Law – 2013** course.

2. From the **Content** tab, double-click on the **Intensive Intro to US Law – Recordings** folder.

3. Please read the information in the folder carefully and click on the **Intensive Intro to US Law** catalog link.

4. When the Mediasite screen appears, type in your **DSL** information and press the **Sign In** button. *(See example below.)*

![Mediasite Sign In Example](image)

   a. Username = Type in your **User ID**  *(Example: xyz123)*
   b. Password = Type in your **DSL Password**

5. Once inside the catalog, you will see each class recording as it becomes available for viewing.

6. Click on the **Title** of the recording you wish to view.

7. Be patient, the Mediasite player will bring the recording into view.

8. You may need to press the **Play** arrow to start the recording.

**Special Note:** If you receive a message box that says: "Do you want to view only the webpage content that was delivered securely?" Answer by clicking on the **NO** button.
