      i. Administration cancelled it. Alcohol issue. None of the seniors know why. 
   b. Ian: I will look into it and get back to you. 
   c. Rachel: undergraduates coming in our library and classes doing tours of the buildings during the day. I discussed it with Ian. 
   d. Corey-Scott: We have issues with the automatic doors locking down here. LaMont said it was an issue of the timing of the doors. She said she would look into it. As for the undergrads, we kick them out. 
   e. Rachel: **Study period lockdown** 
   f. Ian: I will look into it.
g. Chad: Kevin and I have something to say. I don’t know what your situation is with food and drinks at UP. Our café closes at 2:30, then there is only candy and soda. Someone raised concerns that there are no healthy snacks in the vending machine. Maybe we could get healthier options in the machines.

h. Ian: It’s the same for us, and we are trying to get healthier options. I will be talking to the deans about it to try to get options in the summer for healthier alternatives.

i. Kevin: I just wanted to go over this real quick, but as far as the book buy back program, are you looking at a specific time period?

j. Ian: Yes we are going to be doing this next week, this will take an hour of your time during next week and kick it off in the fall again. I will send an email requesting your availability.

k. Ian: Any more public comments?

relations because I wanted to wrap Project STAFF and THON into it.

IV. Executive Council Reports

a. President’s Report (10 min.)
   i. Ian: I know most of you. I sent an email concerning my availability. I am easily contacted through my phone. With that said I don't have a whole lot. I am very excited about the board.
   ii. Concerning the book buyback program: what it's about...Kirk head it up last year. Kevin is going to head it down there. We have a master list where students can exchange and purchase books. They give us their contact information; we give them a cut of the money. They get more than selling them at the library. They also are able to purchase them cheaper. We're trying to build it and interchange them through both campuses. With that said, we are doing it next week and we will be sorting out a schedule asking for availability. I'm not going to say it is mandatory, but it is extremely encourage.

b. Vice-Presidents’ Report (10 min.)
   i. Corey-Scott: I am an upcoming 3L. My whole stance on why I ran is I want Carlisle to be represented to make sure it is one campus unified. I want this place to be a building and not an institution. The flowers they brought in for the dedication were so nice, then they took them out. I want to talk to LaMont to try to get them to make it more homey. If you need any side projects, utilize us, we're here to serve.
   ii. Kevin: Hi everybody, I am a little unfamiliar with some of the people in Carlisle. I'm an upcoming 2L in UP. The main concern is helping Ian out as much as possible. Thank you and good luck with finals.

c. Treasurer's Report (5 min.)
   i. Zach: Thanks Ian. Last meeting Kelly said the budget committee on all summer stays until next semester. I just wanted to let people know there is still some money if people need to make requests.
   ii. Flag football, we have not received a request yet.
   iii. Chris: yeah the only problem is I can only find children’s sizes. As soon as I find the right size, we will send the request.
   iv. Zach: That's still mark’s decision, but I would say to send the request.
   v. Chris: Ok I will send a request online.
   vi. Zach: I expect to be down in Carlisle for some events and want to serve everyone equally.
   vii. Jessica: Does money come back to us or to the school if we
viii. Ian: It gets recaptured. So we need to spend it.

d. ABA Representative Report (5 min.)
   i. Robyn: Hi I am Robyn, I don’t really have anything, but I plan
      on having tables at both campuses.

e. PSU Senator’s Report (5 min.)
   i. Ian: If I could hear from you, Nick, since Kai is not here.
   ii. Nick: I voted for Backer, but not have heard about the
       election results.
   iii. I didn’t get a definitive resolution about the shuttle, but I will
       pass on everything to Kai. I have one more meeting to go to
       on Tuesday. I think that’s all I got.
   iv. Ian: is Kai going to the meeting with you?
   v. Nick: Not to the committee meetings but he will be going to
      the general body meeting.

V. Adjourn
   a. Kevin M.: Motion to adjourn
   b. Nick: Second
   c. Motion passes
