 - **Password:** 086696
 - Please include your year in law school (1L, 2L, 3L) with your name when logging in
- The event will be structured as a webinar. Student microphones will be muted upon entry to the webinar and the camera function will be disabled.
- Questions can be typed into the “Q&A” box (anonymously or with your name). Alternatively, utilizing the “Raise Hand” function alerts the panelists and Dean Mihok that you have a question, and they will unmute your line and invite you to ask it directly.
- Our employers are very excited for the opportunity to connect with you during this period of remote learning. We ask that you **please remain in the event for each of the four panel discussions**, rather than signing in and out for panels of greatest interest to you.
- Panelist email addresses will be circulated to all participants following the webinar.
