I. MISSION STATEMENT

The name of this committee shall be the Law & Equity Committee of the Student Bar Association. The Law & Equity Committee of the Student Bar Association shall work to promote diversity, equity, and inclusion by working with administrators, faculty, student organizations, and the admissions committee to ensure an open and inclusive nature in our law school's community. The Law & Equity Committee will sponsor events that foster diversity and inclusion—such as, but not limited to, the Annual Diversity Banquet—throughout the academic year. It shall maintain an open-door policy for every student organization and every member of the student body at Penn State Law.

The Law & Equity Committee shall review student organization and individual student proposals for improving diversity, equity, and inclusion in an objective, nondiscriminatory manner. It shall encourage student organizations and individual students to have respect for ethnic and cultural diversity within the student population and faculty staff communities.

II. DEFINITIONS

1. Diversity: The human characteristics that differentiate us from one another, as well as the characteristics that make us alike. Dimensions of diversity include but are not limited to: age, ethnicity, gender, physical abilities/qualities, race, sexual orientation, educational background, geographic location, income, marital status, military experience, parental status, religious beliefs, political affiliation, work experience, and job classification.

2. Inclusion: Creating and fostering an environment where individuals and groups are supported and appreciated for their participation. Recognition of unconscious or implicit bias. Understanding that a diverse group by membership is not automatically inclusive.

3. Equity: The fair treatment, access, opportunity and advancement for all people—while recognizing and moving intentionally to eliminate the barriers that prevent the full participation of marginalized groups. Acknowledging one’s own privilege while being a member of one or more marginalized groups. Acting with one’s privilege to further advance other members of the groups seeking equity.

4. Nominate: To propose by name as a candidate for election. Each nominee must be approved by the Student Bar Association before assuming the respective position.

5. Appoint: A binding selection by the Student Bar Association for an office or position in the Law & Equity Committee.
