2015/2016 Guide for Exchange/ Visiting Students

各位國際的朋友大家好：

自古迄今，許多人千里迢迢，翻山越嶺——旅行、求學、探險、貿易、宣教...為了追逐、實踐一個夢想。西元前552-479年，孔子周遊列國，有教無類，傳播儒家思想；西元629-643年，玄奘遠到天竺學佛取經，返國後仍在長安學習外國語文和佛學；1266年，馬可波羅家族幾度通過絲綢之路抵達中國，《馬可波羅遊記》成為歐洲認識東方的憑藉與名著；1492年，哥倫布在西班牙天主教王國伊莎貝女王和費南多國王的贊助下，想要去印度，卻到了美洲，《哥倫布日記》記載了旅遊探險和見識美洲的驚奇；1870年，清朝官派留學生120名到美國留學；1903-1907年，清政府的《獎勵遊學畢業生章程》造就留日學生達15,000人；截至1930年代，留學生留學（遊學）歐（英、法、義、西等）美各國返國，在人文社會科學領域影響了中國近代史的發展。馬偕博士1871年抵達臺灣，學習臺灣話，他和子嗣均娶臺灣媳婦，往來東臺灣、北臺灣宣教、醫療、創辦學校，「寧願燒盡，不願朽壞」，終其一生，奉獻福爾摩沙。

各位來自世界各地的同學，今天你來到了臺灣，進入臺灣大學就讀，不論你是國際學位生、交換生、訪問學生、雙聯學位學生、短期研究、實習學生...；不論你是獎學金生、自費生、公費生...，心中一定都有一個目的，一個動機，一個心願，一個理想。不論你在臺灣大學停留的時間有多長，有多短，都不要忘記你這趟遠渡重洋，前來與臺灣的首要學府相遇邂逅的機緣。就算僅是時刻之間的短暫駐足，也要讓你在臺灣大學的日子像雨後彩虹，七彩繽紛；像萬花筒，萬紫千紅。30年前還是大學生的我，在西班牙短期進修一個月，影響了我的職志，日後30年優遊浸淫西班牙語文學文化領域，樂以忘憂。

因此，不論你來自何方，今日彼此在臺灣大學交會，希望大家敞開心胸，開心學習；認識臺灣文化，與校內外學子、朋友交遊/交友；散發熱情與好奇心，吸取知識訓練技能；讚賞這裡的好，接受、調整可能的不適和文化差異；惦記著當初點燃你前來這裡的火種，讓你在臺灣大學的生活持續發光閃亮。當然，更要發揮你的長處優點，你踏上這塊土地的優勢，告訴我們你的來時路，你的同胞，你的土地，你的文化，讓我們透過你學習、了解、認識你的家鄉，你的國家。

臺灣大學國際事務處不僅是服務各位的「窗口」，更是我們與各位交流往來的「大門」。國際事務處全體同仁會竭盡所能，為各位解決疑難，讓國際學生身在異地如故鄉，化/話鄉愁為情誼。青春是人生最神聖的寶藏，各位在人生的花樣年華來到臺灣大學，我們希望臺灣大學是你的尋夢園，是你知識的黃金國，是你優遊世界一隅的蓬萊仙島。將來你不僅會說：我曾去過臺灣，在臺灣大學就讀，我還要回來。

國立臺灣大學
國際事務處國際長
張淑英 教授

Dear Student:

Throughout history worldwide, countless travellers have traversed miles to study, explore, venture, or impart – all to pursue and actualize their dreams. Circa 552-479 BC, Confucius perambulated state to state to propagate Confucianism. In 629-643, Tripitaka Master Xuanzang trekked to India to acquire Buddhist scriptures and returned to Chiang'an to further his knowledge of foreign languages and Buddhism. In 1266 Marco Polo and his family peregrinated along the Silk Route into China, followed by the travelogue *The Travels of Marco Polo* to have unveiled the mysterious Orient to the western world. In 1492, Christopher Columbus, sponsored by the Spanish Catholic Monarchs Ferdinand II and Isabella I, sailed to India but fortuitously discovered a new continent. *The Log of Christopher Columbus* recounts the wonders of his voyages in the Americas. In 1870, the Qing government assigned 120 envoys to study in the United States, and between 1903 and 1907, the government sponsored up to 15,000 students to study in Japan. Until the 1930s, returning Chinese graduates educated in Europe or the Americas shaped the development of modern China in the fields of the humanities and social sciences. In 1871 the Canadian missionary George Mackay arrived in Formosa, learned the local language, married the Taiwanese, dedicating his lifetime to making remarkable contributions to education and modern medicine in Taiwan.

All the international students studying at NTU – (joint-)degree seekers, exchange students, visiting fellows, short-term guests, interns – come here with a goal, a dream, or a vision. Notwithstanding the duration of your residence here, forget not the fortuities, after such a long journey, at this top-notch university in Taiwan. Imprint on your heart the transient moments of NTU days like a splendid rainbow, like a variegated kaleidoscope. 30 years ago while I was a university student, a short immersion program in Spain opened for me an avenue to a broader world of Spanish literature and culture as my gratifying calling till now.

Your divergent backgrounds are now converging at NTU. Open your heart to learn, explore Taiwanese culture, befriend students on campus and locals off campus, ignite your passion and curiosity, hone your professional skills, and embrace cultural differences. Always remember the kindling you have carried and let the sparks now illuminate your life at NTU. Optimize your strengths and take advantage of your distinctive background. Tell others about your stories, your culture, and allow us to learn more about your homeland, your country.

The Office of the International Affairs is not merely an information counter; it is an open gate for communication and exchange. The staff here will endeavor to assist you for a new “home-seeking” experience to alleviate your “homesickness.” Youth is your most precious treasure, and I hope that NTU is your El Dorado where to dig out expansive knowledge, and your Mount Penglai where to travel in the realms of gold. In hindsight sometime later, not only will you reminisce about the days at NTU and in Taiwan, but you will exclaim: “I shall return!”

Vice President for International Affairs

Chapter 1

Introduction

Welcome! You're about to start your journey as a student at NTU. In this chapter, you will find important dates and useful contacts.

This booklet is intended for 2015/2016 exchange and visiting students who have been admitted to study at National Taiwan University. It serves as an information guide for students planning their journey to Taiwan.

About NTU

National Taiwan University (NTU) is the flagship university of Taiwan. Dedicated to excellence and leadership since 1928, National Taiwan University has contributed significantly to Taiwan's rapid development into one of the world's most competitive economies and democratic societies. Over the years, the University has acquired a reputation for academic excellence and cutting-edge research right in the heart of Asia.

NTU trains the most outstanding students in Taiwan. It is home to a lively community of more than 30,000 students (17,000 undergraduate and 15,000 graduate) developing their talents across 11 colleges, 2 professional schools, 54 departments, 103 graduate institutes and 66 research centers. On every campus, students can take advantage of the fullest range of academic programs in Taiwan.

The University also benefits from Taiwan's rich Chinese heritage and strategic regional position, offering initiatives and solutions that bridge East and West. Among NTU's many popular courses are its widely acclaimed Chinese language programs.

NTU Exchange/ Visiting Student Programs

NTU has a number of exchange student programs; each is run by a different administrative unit. The Office of International Affairs (OIA) is in charge of university-level exchange and visiting student programs, while the independent College or Department runs college/ department-level exchange student programs. All incoming students are obligated to abide by NTU regulations, no matter which program they participate in.

You can use your student identification number to check your exchange/visiting status. The status distinction is important because different rules may apply to different categories of students.

Chapter 2

Preparing for Arrival

You will soon join us – a student community of 75 nationalities – at Taiwan's most established and comprehensive university. Here are pre-arrival and upon-arrival tips to ensure a smooth transition into life at NTU.

Visa & Resident Certificate (ARC)

To ensure a smooth arrival, it is imperative that you read and follow these guidelines.

Phase 1: Applying for a Visa at Taiwan (ROC) Embassies Abroad

Apply for a valid visa (Visitor Visa or Resident Visa) in your country of residence BEFORE entering Taiwan. There is no specific “Student Visa” for international students studying in Taiwan; recommended visa choices are on the following page. Contact the Taiwan (ROC) diplomatic mission in your country/region for the required documents, latest information and advisement.

A list of Taiwan (ROC) Embassies and Missions abroad can be found at page 89.

What type of visa do I need?

Visitor Visa

- If you are participating in the semester-long program and intend to stay in Taiwan for less than 180 days, a Visitor Visa is enough.
- You are strongly advised to apply for a Multiple-Entry Visitor Visa if you plan to travel internationally during your stay. It will not be possible to change a single-entry to a Multiple-Entry Visitor Visa once you are in Taiwan.
- As a Visitor Visa holder you are permitted to stay for 60 or 90 days and may apply at local service centers of the National Immigration Agency for an extension (max. 90-120 days) within 15 days of current visa expiration. Check your expiration date.
- Regardless of whether your visa is multiple-entry or has been extended, you cannot enter Taiwan past the “enter before” date written on your original Visitor Visa.

Resident Visa

- If you are participating in the year-long program and/or intend to stay in Taiwan for more than 180 days, you are advised to enter the country on a Resident Visa. Afterwards, you will have to change your Resident Visa to an Alien Resident Certificate (ARC; see the ARC section below).
- If you enter the country on a Visitor Visa but stay for more than 180 days, you must apply to change your Visitor visa to a Resident Visa at the Bureau of Consular Affairs, Ministry of Foreign Affairs before your Visitor Visa expires. Check your expiration date.

- Taiwan embassies are not likely to issue Resident Visas to applicants without the required health exam documents. If that applies to you, you may apply for a Visitor Visa first and then change to a Resident Visa once you arrive in Taiwan.

Visa Exempt Entry/Landing Visa

- Students who qualify for Visa-Exempt Entry or who obtain Landing Visas valid for 30–90 days (duration depends on nationality, non-extendable) may still be able to enter Taiwan even if coming without Visitor Visas. However, you would then be required to leave the country by the end of the duration.

Renewable/Multiple Entry and Exit Permit

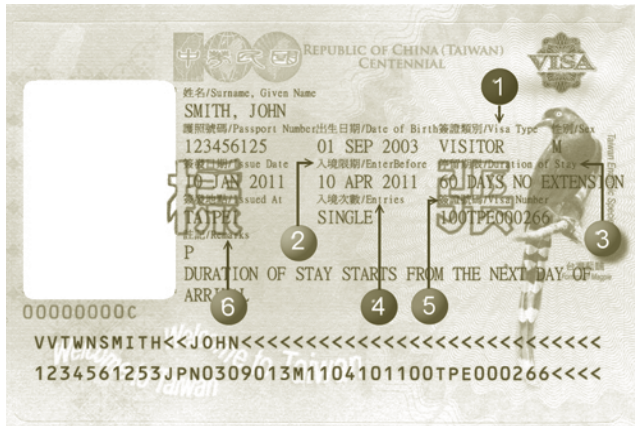

- Students from Hong Kong or Macau should apply for renewable/multiple entry and exit permits in accordance with the *Regulations Governing Hong Kong and Macau Citizen's Entry, Exit, Residence and Registered Permanent Residence in the Taiwan Area*.
- This permit is valid for six months and may be extended any time within the six months to a maximum period of one or three years from the first day of entry.

Please note that male students who have dual citizenship and have had household registration in Taiwan will be subject to the Taiwanese compulsory military service regulations.

所有交換學生應先向其本國或永久居留地之中華民國駐外館處申請停留簽證（交換期間180天以下）或居留簽證（交換期間180天以上）以入境臺灣。持落地簽證或免簽證入境者僅能停留30或90天（因國籍而有不同規定），並於期滿後遭強制離境，不得以任何理由延長停留期限。

依中華民國內政部規定，凡具有中華民國國籍且在臺曾設有戶籍之役男於役齡期間均有履行兵役之義務。無論是否戶籍遷出國外或另具有他國國籍，其入出境臺灣地區應持中華民國護照；持外國護照入境之僑民役男仍以其入出境紀錄列計在臺居留期間，持外國護照入境未具僑民身分者雖具雙重國籍仍以一般役男列管。原有戶籍國民具僑民身分之役齡男子，自返回國內之翌日起，屆滿一年時，依法辦理徵兵處理。學生若因持中華民國護照入境而面臨兵役問題，本校不負與兵役單位協調之責任與義務，相關規定請參閱「役男出境處理辦法」。

What Kind of Visa Do I Have?

1. Visa Type (簽證類別) :

- Visitor Visa (停留簽證) : Short-term visa for stays in Taiwan that are less than 180 days.
- Resident Visa (居留簽證) : Long-term visa for stays in Taiwan greater than 180 days.

2. Valid Until/Enter Before (入境限期) : the last day the visa holder is permitted to enter Taiwan.

3. Duration of stay (停留期限) : The length of the visa holder's stay in Taiwan; it is counted from the arrival date. Extensions should be made within 15 days of the duration deadline.

4. Entries (入境次數) : Single or multiple.

5. Visa Number (簽證號碼) : Visitors should fill it in E/D card at immigration.

6. Remarks (註記) : A specific code represents the applicant's identification or reason for visiting Taiwan (e.g. the code for exchange students is FS).

Phase 2: Visa Status Changes and Extensions

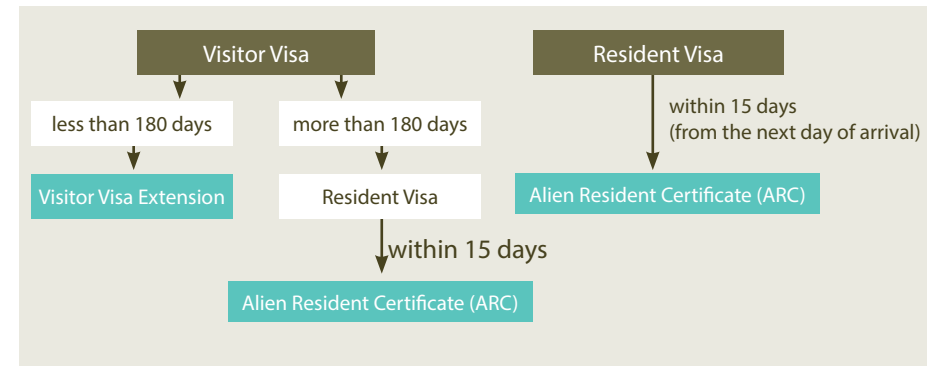

While in Taiwan

This only applies if you entered Taiwan on a Visitor Visa. If you entered Taiwan on a Resident Visa, you can skip phase 2 and move directly to phase 3. Phase 2 occurs once you are in Taiwan. You may need to:

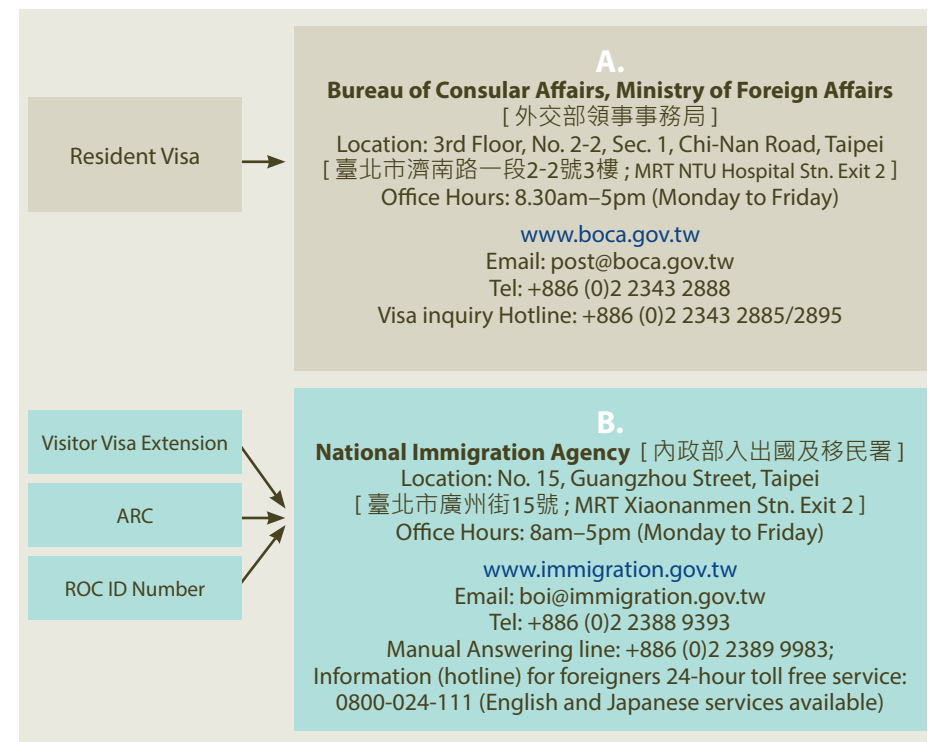

- Change your Visitor Visa to a Resident Visa
- Extend your Visitor Visa
- Get an ROC ID number

This can be a confusing process, so please refer to the following process chart and service center diagram to ensure that you contact the relevant authorities before the various deadlines. Remember, your visa status is your responsibility.

General Process

Service Center Diagram—Where to Do What?

* Should you have any visa inquiries, please contact Taiwan (ROC) overseas Embassies and Missions in your countries/regions directly.

All visa/ARC requirements listed in this chapter are for reference only. These requirements are subject to change. Please refer to the relevant websites (e.g. Bureau of Consular Affairs or National Immigration Agency) for the latest information.

■ Changing from a Visitor Visa to a Resident Visa

This applies to students who have only received a Visitor Visa in their home country but plan to study in Taiwan for a full year.

Where: A) Bureau of Consular Affairs, Ministry of Foreign Affairs [外交部領事事務局]

You will need:

1. A completed visa application form
2. A passport valid for at least six months with ample space for stamps, and a photocopy of your passport
3. Two 2 x 2 inch head & shoulder photos in color (taken within the past six months)
4. The original copy of your Letter of Acceptance and a certificate of enrollment issued by the University (e.g. a photocopy of both sides of your NTU student ID card)
5. A photocopy of your entry visa with the annotation "FS" (e.g. "Foreign Student")
6. A health certificate issued within the last three months from designated hospitals

■ Getting a Visitor Visa Extension

This applies to students who only plan to study in Taiwan for a semester with a Visitor Visa. All students with a Visitor Visa need to apply for an extension at least once.

Where: B) National Immigration Agency [內政部入出國及移民署]

You will need:

1. A completed visa application form
2. A passport valid for at least six months, and a photocopy of your passport
3. The original copy of your Letter of Acceptance and a certificate of enrollment issued by the University (a photocopy of both sides of your NTU student ID card)

- Open a bank account

This unique, life-long number is for the registration of people residing in Taiwan (ROC). For information updates, please refer to the website of National Immigration Agency.

Where: B) National Immigration Agency [內政部入出國及移民署]

You will need:

The ARC is valid for the duration of your studies.

In addition, if you change your residence, you have to register the new address with related documents at a local immigration service station within 15 days.

Where: B) National Immigration Agency [內政部入出國及移民署]

You will need:

Exchange/Visiting Students who have Mainland Chinese nationality are required to apply for their Entry Permit through the assistance of NTU.

Application Procedure for the Entry Permit

1. Students should fill the Entry Permit application form and send all required documents to NTU when applying for exchange/visiting programs. The application fee can be paid upon arrival in Taiwan on Orientation or Registration day. Please refer to the OIA website for more details and to download the documents.
2. After sending the application documents for Entry Permit to the National Immigration Agency, NTU will send them to students whose home university is outside Mainland China (including Hong Kong and Macau) by email. Students will then need to bring copies of the above-mentioned documents to Republic of China overseas embassies and missions in the country/region of their home university as soon as they receive the email.

Important Reminders

1. Students with Mainland Chinese nationality from universities outside Mainland China may need to apply for the "Mainland Residents Traveling to Taiwan Pass" if they plan to enter Taiwan from Mainland China directly.
2. Students should enter Taiwan before the "Date of Expiry" on their Entry Permit. The "duration of stay" refers to the official letter of acceptance. Students should comply with the regulations and cannot stay longer than the permitted duration.

Health Exam & Insurance Requirement

Please be sure to provide the NTU Health Exam Form and insurance proof upon registration. You will not be able to complete the registration procedure and get your NTU student ID card without them.

■ NTU Health Exam Policy

To meet NTU and government requirements, all new students must take a health exam by a qualified doctor and complete each examination listed on the NTU Exchange/Visiting Students Health Exam Form. Incoming exchange students can complete the NTU Health Exam Form in one of the following ways:

1. You may get the exam done in your home country and upload the Health Exam Form to our application online system by September 01 (First Semester) / February 01 (Second Semester), or submit it on Registration Day. However, if you have a Visitor Visa and need to change to a Resident Visa once you are in Taiwan, you will need a health certificate issued within the last three months and verified by the Taiwan Embassy. Thus, if this case applies to you, it is better to do the health exam in Taiwan so that the exam is not considered invalid.
2. If you can't complete the health exam in your home country, you can take the exam at NTU Hospital once you arrive in Taiwan and submit the results to OIA. However, if you need to change to a Resident Visa, be aware that you will have to take the health exam for the Resident Visa in a Ministry-designated hospital, in which NTU Hospital is not included. You can also take both the Resident Visa and NTU Health Exams at a designated hospital and ask them to fill out the results on both forms.
3. As it takes 5-7 days for the health exam results, students who take the exam in Taiwan and cannot receive the report by registration day should sign an agreement to submit the health exam form within two weeks.

■ NTU Insurance Policy

Please provide a proof of your accident and medical insurance worth a minimum of TWD 1,000,000 (approx. USD 32,500) valid for the entire exchange period. Please note that, according to Taiwan's Ministry of Education, exchange/visiting students are not entitled to the local student insurance plan.

You will have to purchase Taiwan travel insurance on-site if you don't have insurance or enough coverage (as decided by OIA).

■ National Health Insurance 【全民健保】

Exchange/Visiting students who desire an additional form of insurance and have been residing in Taiwan for more than 6 months can join the National Health Insurance (NHI) system. Please apply for NHI during or after the 6th month (not before) of your stay in Taiwan. The premium is around TWD 749 per month. You need an ARC to apply.

■ What Assistance Can I Expect from My Student Volunteer?

The Office of International Affairs offers extra assistance to help you make a smooth transition. Our trained volunteers:

2. Facilitate any possible administrative communication issues such as health exams, visas, and ARC and NHI applications at various government offices
3. Help you find information regarding life in Taiwan

* Please be aware that all NTU student volunteers help international students by choice and are not paid. You cannot choose your volunteer and it is essential to avoid being involved in transactions of money with your volunteer.

Arrival Tips

■ Estimated Living Expenses

Items	TWD/Semester(5 months)
On-campus Accommodation	44,000 (*maximum)
Textbooks / Stationery	6,500
Campus Internet Access Fee	600
Food	35,000
Public Transportation	5,000
Entertainment / Miscellaneous	15,000
Total Estimated Costs	TWD 110,600 / USD 3,650
1 TWD = 0.03USD = 0.025EUR as of November 2014	

We suggest you bring a sufficient amount of money with you to pay for your airport transportation, dormitory deposit (two months of rent), accommodation fee, campus Internet access fee and other necessities such as bedding and food.

*Tuition and program fees for visiting students are not included in the above estimate.

■ Currency Exchange

If you wish to exchange a foreign currency into New Taiwan Dollars (TWD), the Taoyuan International Airport is most convenient, as most banks in Taipei City only exchange US dollars, Euros, Japanese Yen, Chinese Yuan and HK dollars. Check the latest exchange rates before heading to the bank.

■ Using Credit Cards/Bank Cards

Before you leave for Taiwan, ask your bank in your home country whether you can use your credit cards/bank cards to withdraw money in Taiwan and what the transaction charges are.

■ Opening a Bank Account

Bring your passport and ARC to a local bank and fill out all necessary forms; you can ask the bank teller for help. To open a bank account, you have to deposit at least TWD 1,000. We strongly advise you applying for a bank card, as you'll be able to withdraw money from ATMs at any time (ATMs can be found on the streets and in most convenience stores).

If you don't have an ARC, you can use your ROC ID Number to open a bank account; bring your passport and your Republic of China Record of ID No. [中華民國統一證號基資表].

* Please note: If you are under 20 years old, you are not considered a legal adult under the Republic of China's law. You will need a letter of consent by your guardian in Taiwan, or by an embassy-approved overseas legal guardian. It is often easier to solicit parental or legal consent before you arrive.

依中華民國政府規定，未滿二十歲之未成年人需出具法定代理人(父母)或在臺監護人之同意書方能至銀行開設帳戶。如您有開戶的需要，請您於抵臺前備妥相關文件，以利作業。

Below is a list of banks located on the campus:

Chungwa Post [中華郵政]

The Post Office provides both postal and banking services, including shipping and receiving mail and packages, deposits and withdrawals, etc. Post offices can be found on campus (first floor in Xiao-Fu) and at the Gongguan MRT station.

Hua Nan Bank [華南銀行]

Hua Nan Bank Taita Branch is on the opposite side of Lu Ming Hall at the Lu Ming Square.

Tel: +886 (0)2 2363 1478

Fax: +886 (0)2 2363 9657

■ Mobile Phone

Previous exchange students recommend buying pre-paid cards at the telecom service centers of the Taoyuan International Airport when you arrive because it is less convenient to do so in Taipei City. It is possible to bring your own mobile and purchase a local pre-paid card. You may purchase prepaid cards from convenient stores on campus with two forms of photo ID.

If you prefer to apply for a phone plan, you will have to present your ARC, passport or driver's license and be accompanied by a native guarantor (his/her ID Card and National Health Insurance Card are necessary) at the service centers of major telecoms.

Airport Shuttle Service to NTU

An airport shuttle service (from Taoyuan International Airport to NTU Dormitories) is provided upon request to all international students free of charge; however, it is restricted to certain times from 9am to 9pm. Students who would like this service must sign up through the NTU Online Application System before the semester begins. Once the schedule has been arranged, we will notify you by email.

First Semester

Dates: September 09-10 (Tue-Wed), 2014

Second Semester

Dates: February 23 (Mon), 2015

OIA will only arrange airport shuttle service for students who apply by the deadline. It is also not possible to provide individual service if your arrival time does not coincide with OIA scheduled times. Please note that the airport shuttle service is only for students who arrive at Taoyuan International Airport.

未於接機申請期限內上網登錄航班資訊者，以及班機非於團體接機日期抵臺者，恕無法提供接機服務。本處僅於桃園國際機場提供團體接機服務，搭乘班機於臺北松山機場抵臺者，需自行前來本校，相關交通資訊請見以下說明。

Chapter 3

Accommodation

At NTU, you can look forward to live in quality accommodations. Each semester, local and international students enjoy the convenience and affordability of our residential services. This chapter will help you find the right place to live and feel at home.

NTU Accommodation

Exchange/visiting students have the option to live in university housing at the Prince House Dormitories (BOT) or the Guo Qing Dorm (IYC). The Prince House Dormitories have two locations: Prince House - NTU ChangHsing Dorms [太子學舍 - 臺大長興舍區] and Prince House - NTU ShuiYuan Dorms [太子學舍 - 臺大水源舍區]. They are contracted out, built and operated by the Prince Housing and Development Corp, but allocated by the NTU Student Housing Service Division. Both Prince House dorms are located just across the street from campus. The other option is Guo Qing Dorm (IYC) [國青宿舍], which was renovated in summer 2011. Guo Qing is the only on-campus dormitory for exchange/visiting students; it is located on the northeast section of the campus.

NTU aims to provide convenient and affordable housing to both international and local students. The dormitories are operated under both NTU and dormitory-specific regulations.

■ If you are found to have seriously violated any accommodation policies, you may be expelled from your dorm and Exchange/Visiting Program. Dormitory staff are under university directives to particularly enforce the following rules.

Disruptive Behavior, Alcohol & Drugs

Under no circumstances will alcohol intoxication, possession and/or use of drugs, stealing, spitting and any other disruptive behavior be tolerated. NTU Exchange/Visiting Student Programs present a unique opportunity to learn social responsibilities; it is assumed that all dormitory residents are intelligent, aware and mature individuals. The use of alcohol by residents aged 18 and over is not prohibited but will be closely monitored. Intoxication will not be accepted as an excuse for irresponsible behavior or any infringement of university accommodation regulations or disturbance to other residents/staff.

Noise

Every dormitory resident has the right to a reasonably quiet environment. Everyone should respect others and be considerate towards their neighbors when holding activities in the dormitory. Loud conversation or any other intrusive activity is likely to distract other residents from their studies. Furthermore, the dormitory is a communal space mostly located in dense residential areas. Please refrain from excessive noise both outside the dormitory and on dorm grounds.

Smoking

Smoking is not permitted anywhere in or near university dormitories. Offenders will face disciplinary action.

Guests

Guests are required to sign in at the front desk when visiting and must leave the dormitory before 11 pm. No guests are allowed to stay overnight in any university dormitory.

*National Taiwan University Student Dormitory Management Regulations

Application

When applying for the NTU Exchange/ Visiting Student Program, you are asked whether you'll need on-campus accommodation. If you apply, you will be guaranteed a place at a university dormitory. Note that you won't be able to apply once the deadline passes. If you apply for housing, you will receive a notification from OIA to check Entry Information in our application system for the results approximately one month before the semester begins.

NTU offers a large number of rooms. Nevertheless, the total amount of rooms is limited and it is possible that your most preferred type will not be available. Regarding Prince House dormitories, university-level exchange/visiting students will be offered a place at the ShuiYuan Dorms while college/department-level exchange students will be offered boarding at the ChangHsing Dorms.

就讀於本校公衛學院以及醫學院的大陸地區交換學生若優先選擇國青，會盡量安排至離所屬學院校區較近的本地生宿舍，以方便學生上課。

All rooms are either male or female (not co-ed). Please note that your roommate cannot be chosen. In addition, we do not provide on-campus accommodation for couples or families.

If you decide to arrange private accommodation and give up or move out of the university dormitory, know that while you can reapply in the future, OIA cannot guarantee you housing again. It will be up to you to apply on your own to the Housing Office, but be aware that on-campus housing is limited.

請注意:本校因宿舍床位有限，所提供交換/訪問學生之保證宿舍資格僅限一次並不得保留，學生一旦放棄該分配結果或自行退宿，本處一概不再接受其宿舍申請。

University dormitory check-in begins on September 9-10, 2014 for the First Semester, and February 23, 2015 for the Second Semester. We recommend that you try to arrange your flights to Taiwan on these dates. Dormitory volunteers will help students check-in and get acquainted with the neighborhood.

■ Extending Your Stay during Summer Vacation

During summer vacation, the university dormitories will be reserved for students participating in summer programs or other NTU activities. A limited number of rooms will still be available for exchange/visiting students. Anyone wishing to stay during summer vacation should contact the Prince House staff or the resident director at Guo Qing Dorm [before June](#) to pay the summer accommodation fee.

If you've completed your program, you must move out by the end of August at the latest; it is not possible to extend your stay at any dormitory because all rooms will need to be ready for the new incoming students.

Prince House Dorms (BOT)

If you are offered a room in the Prince House Dorms, you will receive an email from the Prince House and be asked to pay one-month of rent in advance as confirmation. This payment is not refundable but will be transferred to your first-month rent. If you do not receive the confirmation email by the beginning of August or January, please contact the Prince House or OIA immediately.

Chapter 4

Studying at NTU

NTU has acquired a reputation for academic excellence and cutting-edge research, all right in the heart of Asia. This chapter guides you through academic administrative matters such as course enrollment and transcripts so that you can take advantage of Taiwan's fullest range of academic programs.

Course Information

All exchange/visiting students can take courses offered by departments/institutes outside of their majors. NTU Online Course Information can be found at

<https://nol.ntu.edu.tw/>.

To search for a course, you need to first select the academic year. Note the different way that Taiwan counts years, which is based on the founding of the Republic of China in 1912. If you use the Chinese version of the NTU Online Course Information, 104-1 means 2015-1 (First Semester from September 2015 to January 2016) and 104-2 means 2015-2 (Second Semester from February 2016 to June 2017).

In general, lectures and examinations are conducted in Chinese. If you do not have sufficient knowledge of Chinese, you should consult the professor or instructor before enrolling in a certain course.

Courses Taught in English

Although Chinese is the main language of instruction at NTU, there are also courses taught in English by certain colleges/departments. You may refer to NTU Online Course Information → Courses Conducted in English.

Restrictions on Course Selection

The following courses are not open to exchange/visiting students:

1. Programs provided by the Center of Teacher Education [師資培育中心].
 2. Summer Session [暑修] or Summer College [夏季學院] courses.
 3. Practical training courses in the College of Medicine [醫學院實習課程].
- The Department of Anthropology[人類學系暨研究所] has Chinese language proficiency requirements because its courses are conducted in Chinese.
 - Undergraduate exchange/visiting students have the same priorities as junior undergraduate students. Some graduate (Master or PhD) courses are not open to undergraduate students.
 - All courses in the GMBA and EMBA program, and some required courses taught in English in the College of Management are only open for degree students during the online course selection period. If spaces remain open at the end of the online course selection period, they will be opened to other students (including exchange/visiting students)

during the add/drop period.

- Physical Education courses are worth 1 credit (if passed) and are counted toward the computation of the semester's grade point average. Students may select no more than two different PE courses per semester.
- Exchange/Visiting students enrolled in laboratory classes such as Biotechnology Core Techniques are required to pay the lab fees.
- Students cannot take courses which conflicting schedules or courses with the same curriculum number in the same semester.
- Regarding student status restrictions, please refer to the column "Limits on Course adding/dropping" for each specific course at NTU Online Course Information.

Additional Information

1. Course Curriculum Number

Curriculum numbers are 4-digit numbers prefixed with abbreviated department names. The first digit of the basic number indicates the target students in terms of year of study.

3000-3999	Courses for juniors
4000-4996	Courses for seniors

2. Class Location

Most courses are held on the main campus; their location numbers are usually shown on the NTU map (see the appendix). Courses offered by the Colleges of Social Science, Medicine and Public Health are often held on those Colleges' branch campuses. Please take note at the class location when enrolling in classes.

3. Course Units and Hours

This information applies to class times, which can be found under "schedule classroom" on the NTU course information website.

For instance, Mon 78 stands for Monday 15.30-17.20.

Course Enrollment

■ OIA Suggestions for Exchange/ Visiting Students

1. Both local and exchange/visiting students are eligible for NTU's Online Course Selection System. For questions regarding course selection or course description, please consult directly with your NTU student volunteer or the instructor/department.
2. Please read the Guidelines for Course Selection and Enrollment provided by the Office of Academic Affairs at NTU Online Course Information website.
3. You can create your own class schedule at the NTU Online Course Information website to help you plan and ensure that your classes do not overlap. **Please note the class schedule is solely a reference; you still have to enroll in the courses.** To complete the online course selection, you need to log into the course selection system and import your class schedule by inputting the information class-by-class.

■ The Course Enrollment Process Consists of Four Parts

The process begins with the First Online Course Selection Period on August 17 for the First Semester and on January 18 for the Second Semester. Please refer to Appendix: NTU Academic Calendar 2015/2016 for detailed dates concerning course registration.

Part 1: First Online Course Selection Period [初選第一階段] **(Aug 17-20, 2015)/ (Jan 18-21, 2016)**

Visit MyNTU and find "Online Course Selection System" [網路選課系統] in "Courses" section. The User ID is your NTU student ID number. The default password is a lower case "a" plus your date of birth. For example, if you were born on January 22, your password would be a0122.

Part 2: Second Online Course Selection Period [初選第二階段] **(Aug 25-27, 2015)/ (Jan 26-28, 2016)**

You may log in to the online course selection system to check your final course results after the 1st Online Course Selection Period. You may check if any course is still available by entering the 5-digit Course Serial Number. If the course is full or unavailable, you will not be able to add it to your list at this stage.

Part 3: Online Course Add/Drop Period [加退選]**(Sep 14-26/27, 2015)/ (Feb 24-Mar 05/06, 2016)**

After classes begin, you may attend all the classes that you wish during the first two weeks while simultaneously adding/dropping courses online. Under certain circumstances, students may download and complete the "Petition of Instructor's Consent for Adding Courses" in the third week of classes to add courses manually.

Part 4: Confirm Course Selection Results Online [確認選課結果]**(Oct 05-09, 2015)/ (Mar 14-18, 2016)**

You must confirm your course selection results online, regardless of whether you add/drop courses during Part 3 in the fourth week after classes begin. Please visit "myNTU" and click on "Course Selection Results" in the "Courses" section, and print out the results for your records. For those who fail to confirm the results, the Office of Academic Affairs will not accept any appeals, even if there are mistakes or errors in the results.

If your course selection result is not correct, please report it to the [Undergraduate Academic Affairs Division \[註冊組 \]](#) or the [Graduate Academic Affairs Division \[研教組 \]](#) before the deadline (see Chapter 1 for contact information).

Withdraw from Selected Courses [停修]**Deadline: Dec 11, 2015/ May 20, 2016**

Under certain circumstances, students are allowed to withdraw from 1 course for each semester after the [Add/Drop Period](#). You should have the withdrawal form (available at the Office of Academic Affairs) signed by both the instructor and the head of your department, and then submit it to the Office of Academic Affairs no later than the deadline. Once you withdraw from a course after the Add/Drop deadline, a mark of "W" (withhold) will be shown on your official academic transcript. Please note that if you stop attending a course without following the course withdrawal procedure, you will receive a grade of "F" or "X" on your transcript.

Learning Chinese**■ NTU General Chinese Course**

All NTU exchange/visiting students are eligible to take a NTU General Chinese Course, which is a regular academic course with credits. If you select your willingness to enroll in a NTU General Chinese course on the application form, you will be automatically enrolled after you complete the registration and placement test. We currently offer courses at a variety of levels. Students are assigned to an appropriate level after a placement test. There is no need to select the General Chinese Course in Online Course Selection System.

Your Chinese placement test results will appear on the NTU course selection system one week after the placement test. Please make sure to "confirm" your results on the system as soon as possible. Any time conflicts with your class schedule is not allowed. If you would like to add or drop the course, please follow NTU course selection regulations.

If you are taking the General Chinese Course at NTU for the first time, you must complete the registration and take the placement test.

The number of credits awarded in NTU courses is based on the total class hours in a semester: 1 credit is usually equal to 1 hour of lecture each week, 18 weeks per semester

(midterm and final exams included). A full-time undergraduate student at NTU should take a minimum of 15 credits each semester (a 6-credit reduction may be allowed under certain conditions). Exchange students are required to take at least 2 courses or 4 credits at NTU.

Registration

Exchange/Visiting Student Registration for the First Semester is Sep 12, 2014 between 9.30am-noon and 1.30-4.00pm. The Second Semester registration for incoming students is Feb 24, 2015. Please make sure that you complete the following procedure in order to be officially registered as an NTU exchange/visiting student. Your NTU student volunteer can also assist you during registration.

For college or department-level exchange students, please consult your host college/department office directly because your registration is separate.

■ Registration Procedures for the 1st Exchange Semester

Registration is held at the OIA office for the convenience of newcomers students.

Step 1

You will receive a registration form and payment sheet at the Orientation Day reception desk (Sep 11, 2014/ Feb 25/26, 2015). If you cannot attend orientation, please find your regional manager at OIA to get your documents on registration day.

Step 2

Please bring your payment sheet to either the convenience store (e.g. 7-Eleven) or ChungHwa Post on campus and make the following payment(s):

- Campus Internet Access Fee: TWD 400/semester for those who live off-campus or at BOT Prince House Dorms and TWD 600/semester for others.
- * The Campus Internet Access Fee is mandatory for all students; the benefits include an NTU email account and access to NTU wireless Internet and school computing facilities.
- Tuition fee (for visiting students)
- * NTU Visiting Students are required to pay the Program Fee upon applying, and the Tuition Fee at any bank or post office in Taiwan by registration.

Step 3

Please go to OIA and present your payment receipt to your regional manager. You will then receive your NTU student ID card if all required application documents have been submitted. The registration procedure is complete when you finish the above procedures and return the registration sheet to OIA.

Students who are taking courses from the registered department/institute are strongly advised to visit their host department office to inform them of their arrival at NTU.

Registration Procedures for Students Who Remain through the 2nd Semester

The following information is important for students whose exchange period is one full year.

Step 1

If you are staying for one year or have extended your exchange/visiting period, you must download and print out the 2nd semester payment sheet. You can find this sheet in “Tuition and Miscellaneous Fees and Payment” [學雜分費繳費及證明] in the “Students” section on “myNTU” (log in with your NTU student ID number and password). You can pay the fees at any convenience store or ChungHwa Post before Feb 24, 2015 for the second semester. If the housing fee needs to be modified, please confirm the change with the Student Housing Service Division first before you pay.

Step 2

For undergraduate exchange/visiting students, please go to the Undergraduate Academic Affairs Division (Room 106, Administration Building) with your payment receipt to obtain an official registered stamp on your NTU student ID card. For graduate exchange/visiting students, please visit the Graduate Academic Affairs Division (Room 210).

* All NTU students are required to complete the registration procedure for each semester before NTU classes begin.

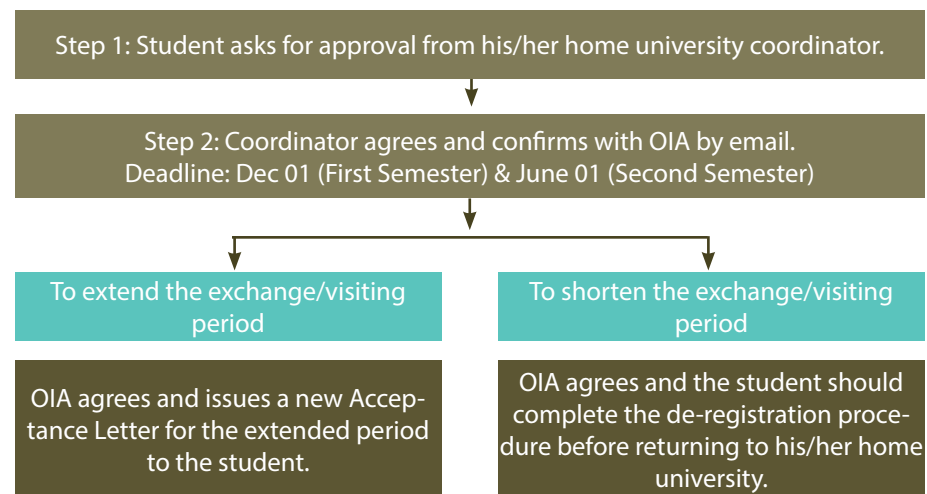

Change of Exchange/ Visiting Period

To extend or shorten your exchange/visiting period, you must apply before the deadline (December 01 for the first semester and June 01 for the second semester) and follow the procedure below:

If you are an exchange student, approvals from both NTU and your home university are required to extend or shorten the exchange period. An extension request will be considered in accordance with the situation. If there are no more spaces available in the program, an extension will not be approved.

If you are a visiting student, and you wish to extend the visiting period, you may contact the OIA directly.

The maximum exchange/visiting period is one academic year. If you have already applied for a one-year exchange/visiting program, no further extension will be approved.

NTU Scholarship

Exchange/Visiting students are not eligible for the Ministry of Education Taiwan Scholarship. NTU offers scholarships to students from universities that have bilateral scholarship agreements with NTU. To apply for a scholarship, you must first be nominated by your home university. The applicable universities are shown below:

Country	University
Germany	Freie Universität Berlin
	Ruprecht-Karls-Universität Heidelberg
	Karlsruher Institut für Technologie
	Universität Tübingen
	Ulm University
Japan	Soka University
	Waseda University
Spain	Complutense University of Madrid

The NTU Scholarship offers a stipend of TWD 12,000 per month for a maximum of 10 months (September to January for the First Semester and February to June for the Second Semester). According to the Ministry of Education guidelines, all scholarships must be transferred to ChungHwa postal accounts. Therefore, scholarship awardees should open a ChungHwa postal account as soon as possible once arriving in Taipei. The scholarship will then be transferred to the awardees' postal account by the 10th of each month.

If you enroll in the First Semester, the scholarship of September and October will be issued altogether in October; if you enroll in the Second Semester, the scholarship of February and March will be issued altogether in March.

[請注意第一學期9月之獎學金將統一與10月一起發放·第二學期入學者2月之獎學金將統一與3月一起發放].

If you leave Taiwan before your exchange period ends, your scholarship for the remaining months will be cancelled automatically.

Before Leaving NTU

All exchange/visiting students should complete the De-registration Procedure online before leaving NTU.

Step 1

Log in the OIA online de-registration system for exchange/visiting students and select "Online Deregistration Form" and follow the instructions. You will be asked to fill in the information regarding your departure itinerary, including your flight schedule and dormitory checkout date. Please make sure that you return all books borrowed from the NTU library. You should start the dormitory checkout process as well. After completing the online procedure, you will be able to download and print out your de-registration form.

Step 2

Follow the instructions on your de-registration form. Make sure you bring your NTU student ID card to the Office of Academic Affairs to invalidate your student ID (it can still be used as an Easy Card but without student status) before leaving NTU.

Step 3

Turn in your deregistration form to your OIA manager once you have completed the above procedures. Please remember to upload your exchange report or your blog to the OIA website within two months after your exchange period. Without the deregistration form and exchange report/blog, your deregistration procedure will be considered incomplete and NTU will not send your official transcript.

Exchange reports/blogs will be shown on the OIA website as useful information for prospective students. You may also access to the de-registration system and upload your exchange report/blog. Please avoid mentioning things that you are not willing to share openly in the report.

Online Deregistration system:

OIA website > Study at NTU > Incoming Exchange Students > Information for Incoming Exchange Student > Leaving NTU > Online De-registration System

Grades and Official Transcripts

A few weeks after final exams, you will be able to check your semester grades online at “myNTU”. Click on “Grades Inquiries” in “Students” section. The grades for the courses in which you were enrolled may not all be available at once since instructors may delay submitting grades to the Office of Academic Affairs. However, all grades should be available by the end of summer/winter vacation.

OIA will send 2 copies of your official transcript (one for you and one for your home university coordinator), in both Chinese and English, to the international office at your home university by registered mail if you completed the de-registration procedures.

It will take one to two months after your exchange period ends for the transcripts to arrive; it may take longer depending on when all students’ final grades become available.

For visiting students who apply individually, OIA will send both copies of your transcript to the mailing address you provided on your application.

If you need copies of your transcript when you are still in Taiwan (during your exchange), you can apply for transcripts at the printing machine outside the Undergraduate Academic Affairs Division or the Graduate Academic Affairs Division. Enter your student ID number and four digits of your birth date to log in. For example, if you were born on January 22, your password would be 0122.

OIA will send 2 copies of your transcript free of charge. For extra copies (TWD 20 each) after leaving Taiwan, you can apply via the Online Transcript Order System (myNTU→Students→Curriculum) with the following information:

- Student ID number
- ID number (exchange/visiting students can just type student ID number)
- Date of birth

If you have any questions concerning your transcript, please contact the Office of Academic Affairs directly by email.

Chapter 5

Campus Life

This chapter has a range of useful tips and information relating to your stay.

Facilities

■ Global Lounge

Hours of Operation: Monday to Sunday, 8am to 10pm

During summer and winter vacations: Monday to Friday, 8am to 5pm

The Global Lounge was jointly established by OIA and the Office of Student Affairs. It provides a satellite TV wall with live broadcasts from a number of global channels, as well as an international conference room that can be reserved for meetings. There is also an open area meant to facilitate cultural exchange between international and local students.

The Global Lounge student management team is comprised of a number of student clubs that plan activities, manage rules and regulations, maintain the website and provide various other services. You will find student assistants who can speak fluent English and who will be happy to provide advisory services regarding life on campus and studying abroad.

■ Main Library [總圖書館]

Situated at the end of NTU's well-known Royal Palm Avenue, the General Library is NTU's main library. It is the largest university library in Taiwan. There are also two branch libraries: the Medical Library and the Law and Social Sciences Library. With its rich collection of more than 2.4 million volumes and comfortable atmosphere, the General Library has become a popular place for students to hang out and study between and after classes. On the fourth floor, there is a Multimedia Center containing a large collection of classical films and audiotapes. On the B1 level, there is a large, comfortable 24-hour study room.

You will be asked to present your student ID card when you enter the library.

■ Center for Teaching & Learning Development (CLTD)

[教學發展中心]

The CLTD aims to provide useful information and support to lend more depth to your studies at NTU. The Center holds various activities such as Learning Strategies Workshops, Teaching Workshops, and Study Group Projects. In addition, the CLTD offers a large variety of learning consultations for courses such as Economics, Statistics, Calculus, Chemistry and Physics. Visit the CLTD website to make an appointment.

The CLTD has established two Learning Commons equipped with consultation rooms, meeting rooms and a cozy open space available for group studies and discussion. They are located on the B1 level of the General Library and on the fourth floor of the Liberal Education Classroom Building respectively.

The main office of the CLTD is on the fifth floor of the Liberal Education Classroom Building.

■ Computer and Information Networking Center [計資中心]

The Computer and Information Networking Center offers 24-hour free computing service for NTU students. The Center is secured by gate control, so remember to bring your student ID card.

In the Center, you can surf the Internet and run various kinds of applications. Simply login at a computer using your student ID number and the password you've set for your NTU email.

Black and color laser printing services are both available. NTU offers every student a free printing quota worth TWD 100 each semester. After your printing quota is used up, you can add value at the counter. Note that an unused unit cannot be refunded or transferred to another user's account.

The Center applies strict rules against pornographic websites and playing games. Violations will result in the suspension of your computer access rights.

If you have any questions, please talk with the employees at the counter.

✉ NTU Mail 2.0

Every student has an email account with 300 MB of web space.

Visit “myNTU > Students > NTU Mail” to activate it and change your password. Your account is your student ID number (student ID @ntu.edu.tw); your initial password is the letter “a” followed by your birth month and day in Arabic numerals (MMDD). For example, if your date of birth is January 30, then the initial password is a0130. This NTU account will also give you access to several other online services at NTU.

🖥 NTU Campus Wireless LAN Services [臺大校園無線網路服務]

Every NTU student, employee and faculty can access the NTU Campus Wireless Service. You may access the “ntu” or “ntu_peap” network through your NTU email account and password. Your device will automatically connect to the network after configuration. Visit “Computer and Information Networking Center” website for detail.

■ Health Center [保健中心]

The Health Center on the main campus is staffed by NTU hospital. It is at the end of Royal Palm Avenue, near the General Library. The Center provides various medical services, including: family medicine, ophthalmology, dermatology, otolaryngology, gynecology, dentistry and psychiatry. Other services, such as common blood tests, pap smears, dental scaling, abdominal sonography, physical therapy and plain x-ray studies are also available. We recommend that you check the clinic schedule in advance to make an appointment online, by telephone or in person.

Managed by the Athletic Department, the NTU Sports Center (The “New Gym”) consists of a swimming pool, a gymnasium, badminton courts, squash courts, table tennis, etc. To use certain facilities, NTU students need to pay maintenance fees (except for students enrolled in particular Physical Education courses). The outdoor track and field, the basketball court, the tennis court, and the football field are situated next to XinSheng South Road.

■ Student Counseling Center [心輔中心]

Located across from the Student Housing Service Division, the Student Counseling Center promotes a multidirectional approach to mental health and psychological well-being. It offers various services, such as individual counseling, group counseling and workshops, mental health surveys, and psychological assessments.

You can also meet with an English counselor after making an appointment at NTU Student Counseling Center. To make your appointment, simply visit the Counseling Center or sign up online.

Bicycles and School Shuttle

■ **Bicycles**

Bicycles are used by most students on campus because they are the most convenient. There is a bike shop next to the College of Liberal Arts, where you can buy a new bicycle and have your bicycle repaired. There are also bike sellers on Xinhai Road (辛亥路). One of the best deals for exchange students is the second-hand bike auction held several times a semester at the Shuiyuan Campus [水源校區].

Only registered bikes can be parked on campus. Register your bike and then attach the campus ID sticker to your bike then park in the marked parking spaces. Bicycles parked illegally may be towed to the Shuiyuan Campus.

You can register your bike online at [臺大腳踏車管理系統] or complete the registration process at the office by the bicycle pound on the ShuiYuan campus.

■ **School Shuttle Bus**

If you are commuting between the Main Campus and the School of Medicine, the School of Social Sciences, or the Academia Sinica, there is a convenient school shuttle bus that you can ride free of charge by simply showing your NTU student ID to the driver.

The school shuttle bus stops at the Fu Bell on the main campus and at the College of Social Science and the College of Medicine on the branch campuses. The bus runs from Monday to Friday from 7am to around 6pm (with no operation on national holidays, school holidays, or winter and summer vacations).

You can download the campus shuttle bus schedule from the Office of General Affairs' website.

Or contact:

Ms. Jhih-Jyung JHENG , General Services Division for the Main campus +886 (0)2 3366 2237

Mr. Shi-Lin CHEN, College of Social Sciences +886 (0)2 2351 9641 ext 242

You can also easily take the MRT to reach the NTU campuses by yourself.

Student Organization & Campus Activities

There are approximately 450 student clubs and societies at NTU. According to their nature and activities, they fall into 8 different categories: autonomous, academic, entertainment, service, arts, social, mixed, and physical fitness.

Tip 1: In March and September of each year the University organizes a Student Club Expo [學生社團博覽會]. Visit the Student Activity Division [課外活動組] website or NTU global lounge website for details.

Tip 2. NTU International Students' Association (NTUISA) [國際學生協會]
NTUISA consists primarily of international degree students but welcomes exchange and visiting students. NTUISA arranges the orientation reception and regularly holds activities to help new international students adapt to the environment and to provide them with opportunities to interact with one another. During the semester, NTUISA hosts short field trips, sports events and holiday celebrations.
ntuisa.tw@gmail.com

Working/Employment

Exchange/Visiting students are not allowed to work in Taiwan because they do not fill the requirements to obtain a work permit. If you hold a job without a work permit, you can be fined TWD 30,000 to 150,000. However, it is acceptable for students to complete an unpaid internship or volunteer work.

Transportation

■ Taipei Metro/ Mass Rapid Transit (MRT)

You can take the [Taipei MRT](#) at Gongguan Station on Roosevelt Road with your NTU student ID card – it can function as an Easy Card.

The [Easy Card](#) is a prepaid, rechargeable transportation card, which can be used on all Taipei buses, MRT trains, metro shuttle buses, and at Taipei Public Parking lots. It can be purchased at all MRT stations, and at most convenience stores in the Greater Taipei Area.

■ Taipei Bus

Buses in Taipei can take you to many more places than the MRT does. To get to NTU by bus, we recommend that you arrive at your bus stop 10 to 15 minutes in advance in case traffic is congested during peak hours.

■ Long Distance Bus

You can purchase long-distance bus tickets directly from the bus driver in cash (with no change given), or at counters of the Main Bus Station located next to the Taipei Railway Station (where change is given).

■ Taiwan Railway

The [Taiwan Railway](#) provides extensive rail services, including services to major sightseeing regions, around Taiwan at competitive prices. Two lines travel down the west coast, three lines cross the north, and several other lines serve the island's southern and eastern regions.

■ Taiwan High Speed Rail

The [Taiwan High Speed Rail](#) has operated since 2006. It only takes about 1.5 to 2 hours to travel from Taipei to Kaoshiung's Zuoying Station.
