

Other immigration resources for educators to learn more

- Guide for educators and school staff by AFT regarding immigrant and refugee students (includes description of immigration process for educators to learn more as well as guides about process to prepare in advance of any immigration enforcement activity):
http://www.aft.org/sites/default/files/im_uac-educators-guide_2016.pdf
- From Teaching Tolerance: “Educators who work with immigrant communities want to know how to best support students and their families. We created this web package to supply the types of resources educators have told us they need. We’ll continue to make updates, knowing that immigration policies and practices in the United States—and the corresponding needs in schools—are changing swiftly.”
