THE UNEQUAL ACCESS TO CAPITAL: FINANCING ISSUES MINORITY BUSINESS OWNERS FACE

By Alexis Castillo
WHAT IS CAPITAL

DEBT FINANCING  EQUITY FINANCING  VENTURE CAPITAL  ANGEL INVESTORS
DISPARITY IN ACCESS TO CAPITAL

• 90% of Latino small businesses “struggle to access the capital and support they need to launch and grow.” ¹

• Minorites have less personal wealth than their white counterparts

• Inequality with our debt financing system

Congress can fund the Minority Business Development Agency (MBDA)

Banks can restructure their approach to lending.

Starting at the community level, we need to see economic growth in poor areas (which can be done by supporting local businesses).
