

## CRAC Exercise Self-Assessment Worksheet

Name: \_\_\_\_\_

Use this document to assess how well you wrote each section of the CRAC. You can either fill it out during class or complete it afterward. Please upload your assessment to ICON after you answer all of the questions.

### The Concept

Did you correctly identify the question at issue?

### The Rule Section

You should have started with a general rule about unreasonable risk or duty. This sentence could have served as a “hook” to introduce the Bowles case. Were you satisfied with the “hook” that began your case illustration? Why not?

Which “trigger facts” from Bowles did you include to show the parameters of the “scope of activity” standard?

How well did you explain the court’s reasoning?

### The Analysis

You should have engaged in analogical reasoning. Can you find each of these parts in your analysis paragraphs? What is missing?

Identification, Factual Comparisons/Contrasts, Evaluation.

### The Conclusion

Did you provide your reader with an answer to the issue you raised at the beginning of this CRAC?

### Overall Assessment

1. What portion of your CRAC is the strongest?
  
2. Where do you see the most opportunity for improvement?
