### **Veterans & Servicemembers Legal Clinic**

Faculty	Michele Vollmer
What type(s) of law are practiced?	We assist veterans, their spouses and families with their claims for disability, education and pension benefits from the U.S. Department of Veterans Affairs. Most clients have been denied benefits or received fewer benefits than they deserve. We prepare appeals supported by service records, medical records, medical research, medical expert opinions, case law and written and oral advocacy. We also write amici briefs and advocate for other changes in the law that assist veterans. We sometimes educate veterans and servicemembers about their rights under the law.
What type(s) of work will student perform?	Advise and interview clients, request and review documents, conduct research, work with expert witnesses, draft correspondence, VA forms and written arguments, briefs or motions, appear at meetings and hearings with the VA, and/or work on policy or education related projects.
How many students participate each semester?	usually 4-8 students; some semesters, if a project we are working on is large, we may accept 10
Is there a mandatory term of enrollment?	1-semester commitment
How many credits per semester in the clinic?	4-5 credits, students may choose
Does the clinic include a classroom component?	Yes, students in the clinic meet 1x/week for 2 hours
How many hours/week should I expect to work (outside of the classroom component)?	12-18 hours for 4 credits; 16-20 hours for 5 credits
Are there pre-requisite or co-requisites courses with this clinic?	<u>Required</u> : None. We encourage 2Ls and LLMs to apply. Students committed to JAG or sworn in as officers may still participate on policy or education projects, and are permitted to learn from the work of other students in the clinic who work on appeals before the VA – see Prof. Vollmer for more details
	<u>Suggested</u> : Veterans Benefits Law (offered every spring); in that course, you will learn about all areas of this administrative law topic; however, you can learn the statutes and regulations you will use to do clinic work during your time in the clinic without any problems
Do I have to be a certified as a student legal intern to take this clinic?	No
