RESEARCH AT PENN STATE LAW

“I am proud of the Penn State Law faculty’s important scholarly contributions and of our vibrant intellectual life here in University Park. Our faculty members are at the cutting edge of their fields, and deeply involved in important national and international issues. I welcome you to participate in these conversations.”

Hari M. Osofsky
Dean and Distinguished Professor of Law
Larry Catá Backer

W. Richard and Mary Eshelman Faculty Scholar and Professor of Law and International Affairs

Professor Backer writes on Chinese constitutionalism, sovereign wealth funds, global business governance structures and finance, transnational legal structures, business and human rights, law and semiotics, and theories of U.S. law and legal systems.

Kit Kinports
Polisher Family Distinguished Faculty Scholar and Professor of Law

Professor Kinports writes primarily in the fields of criminal law and criminal procedure. In criminal law, her work focuses on violence against women; in criminal procedure, she has concentrated on Fourth Amendment issues. In addition, she studies federalism and civil rights (with particular attention to issues surrounding immunity defenses), and, more broadly, feminist jurisprudence.

Publications

Julia Y. Lee  
Professor of Law  
Professor Lee studies the relationship between law and human behavior in the commercial context. Her work addresses the incentive effects of legal and extra-legal rules, the psychological and economic motivations behind different forms of commercial behavior, and the way that the law impacts social cooperation. She is particularly interested in studying how norms influence economic behavior and commercial relationships outside of the formal legal system.

PUBLICATIONS  

John E. Lopatka  
A. Robert Noll Distinguished Professor of Law  
Professor Lopatka’s research explores antitrust law, regulated industries, and the economic analysis of law.

PUBLICATIONS

Ross Pifer

Associate Dean for Clinics and Experiential Learning and Director of the Center for Agricultural and Shale Law

Professor Pifer’s research examines shale gas development and the interface between agricultural and residential development.

PUBLICATIONS

James M. Puckett

Professor of Law

Professor Puckett’s research focuses on tax policy and tax administration. He is especially interested in how the federal tax system addresses income and wealth inequality. His most recent scholarship has explored the unique procedural aspects of tax administration, especially the anti-abuse tools available to the tax administration. His scholarship has also examined the role of personal circumstances and personal expenses on tax liability.

Publications

Dara E. Purvis

Associate Dean for Research and Partnerships, and Professor of Law

Dean Purvis’ work focuses on family and gender law. Her work examines theories for determining legal parentage, critiques current family law from a feminist perspective, and develops arguments for statutory reform. Her scholarship exposes the problematic influence that unconscious assumptions about gender may have on legal decision-makers, especially when faced with issues relating to legal parentage and assisted reproductive technology.

Publications

Victor Romero
Maureen B. Cavanaugh Distinguished Faculty Scholar and Professor of Law

Professor Romero emphasizes the law’s impact on marginalized groups. Especially interested in borders and boundaries—both legal and cultural—he has written on immigration policy and individual rights and analyzed Supreme Court and other federal court opinions through the lens of post-\textit{Brown v. Board of Education} notions of equality. His inquiries also intersect other disciplines in the social sciences and humanities, including history, social psychology, critical race theory, cultural studies, Christianity, and criminal justice.

PUBLICATIONS

Stephen F. Ross
Lewis H. Vovakis Distinguished Faculty Scholar, Director of the Institute for Sports Law, Policy, and Research, and Professor of Law

Professor Ross studies differences in constitutional doctrine between the United States and Canada, Australia, Israel, and South Africa. In addition, he works at the intersection of sports and antitrust law, focusing on how governance structures in sporting organizations lead to socially suboptimal results.

Lincoln’s Promise: Congress, Veterans, and Traumatic Brain Injury, HASTINGS CTR. FORUM BLOG, June 21, 2016 (with Michael R. Ulrich et al.)
This publication is available in alternative media on request.

The University is committed to equal access to programs, facilities, admission, and employment for all persons. It is the policy of the University to maintain an environment free of harassment and free of discrimination against any person because of age, race, color, ancestry, national origin, religion, creed, service in the uniformed services (as defined in state and federal law), veteran status, sex, sexual orientation, marital or family status, pregnancy, pregnancy-related conditions, physical or mental disability, gender, perceived gender, gender identity, genetic information, or political ideas. Discriminatory conduct and harassment, as well as sexual misconduct and relationship violence, violates the dignity of individuals, impedes the realization of the University’s educational mission, and will not be tolerated. Direct all inquiries regarding the nondiscrimination policy to Rebecca Ciani, Human Resource Strategic Partner, Penn State Law, Pennsylvania State University, Lewis Katz Building, University Park, PA 16802-1017; Telephone: (814) 863-0125.
